FLORISTS

We call your attention to the many *Gladiolus* of merit on this list. We specialize in *Gladiolus* adapted to Florists' needs. We have marked those varieties most adapted to forcing with an *f* as follows: *Souvenir (f)* In ordering Bulbs for forcing kindly designate same on order, and we will ship you stock especially harvested and cured for the purpose. For best results do not plant earlier than January 15th.

SEEDSMEN

will find all the popular and best selling varieties listed herein and our prices allow a good margin of profit on the resale. Complete descriptions and current retail prices gladly furnished on request. Offer your customers a few new varieties each season. It will provide more profit for you.

GROWERS

will find our planting stocks reliable and the many-varieties herein listed offer an opportunity to stock up now on the colors and novelties you need. Varieties in large type will prove most profitable.

Large sizes are extremely short crop on account of the long summer drought. Cover your requirements now. **Prepare for a big spring season. It will pay you.** Remember, we will reserve just what you want, and ship when you want it. We ship daily.
